

## Packing list for (SUMMER)

### Three days hiking expedition to Reinheim, the lodge between mountains and glaciers

#### What you need to bring:

- Hiking boots, preferable a bit high, to provide some support around the ankles. We hike through rocky and wet terrain, so boots that are water resistant is also an extra plus.
- Wind proof, water resistant jacket and trousers
- Warm and long underwear, preferable in thin wool or polypropylene
- One thick sweater or fleece jacket
- Hat and gloves
- 2 pair of socks
- Toothbrush/ toiletries
- Drinking bottle
- Backpack (Daypack of around 30-50L) – we can provide backpacks on request.
- Camera

#### You will get from us:

- All food and snacks during the trip (PS! Let us know if you have allergies or specific food preferences)
- Thermos with hot water for drinks and lunch on the trail
- Hiking sticks
- Sleeping bag/pillow (in the cabin)
- Big towel for sauna (in the cabin)
- Slippers/ indoor shoes (in cabin)

The guide brings all necessary safety equipment; first aid, gps/map, rifle, and satellite communication (satellite phone and inreach).

Further there will be 2 to 6 huskies, depending on number of guests, who will join the trip carrying food and other equipment to allow us to hike with lightweight backpacks (max 10 kg). Our dogs will be good company, carry some of our stuff and alarm if polar bears are around.
